

SEE AND HEAR THE MOST INFLUENTIAL LEADERS IN THE TELCOMMUNICATIONS INDUSTRY AT

TELECOMMUNICATIONS DAY

the major user's annual update

IN ASSOCIATION WITH

Alcatel-Lucent

TUESDAY 20 APRIL 2010 ► WELLINGTON

Shake hands, ask questions, and learn.

All your questions asked, contacts made, and networking done
in one information-rich day.

Dr Ross Patterson

Why didn't you recommend regulation of Mobile Termination Rates?
What's on the regulatory agenda for 2010?

Hon Steven Joyce

How's the fibre planning coming along? When can I have fibre to my place?
When will my customers get fibre to their place so I can communicate with them efficiently?

Dr Allan Freeth

TelstraClear are making some solid progress, so what's your next move?
How will it help business users?

Chris Quin

When will you know when you-know-what will be fixed, and how do we know it will be worth the wait?
Where is Gen-i going?

Eric Hertz

What will your entry mean for large users and when will you have data and on-account services?

Dr Taylor Reynolds

What impact is FTTx having on major businesses in other parts of the world?
And how does New Zealand compare in our planning for a fibre future?

SPECIAL PRESENTATIONS:

What are the visions for the transformation of health and education services in an ultra-fast broadband environment? What will this mean for the rest of us? Hear from two visionary speakers with long experience in these sectors.
